- Review Site Plan/Master Plan
 - General Consensus was Plan A
 - Grading – 5% slope (ADA guideline)
 - ADA accessible path – proposed stone dust
 - Dash = dirt trail
 - Same or comparable opportunities meets ADA requirements (embankment slide v. slides on main play structure that are ADA accessible would work)
 - Tom Estey - \$7,000 rough estimate for repaving the parking lot
 - Oak or black lotus - rot resistant wood
 - Logs in Lincoln are maple – 10 years rough estimate on life span

- Concerns re: maintenance at Lincoln → District having issues with the maintenance costs possibly
 - Staining every couple of years
 - Composite may be a better option for decking (over oak or other wood)
 - Landscape structures – works with Kaboom
- **Edorah to reach out to district re: issues with Lincoln**
- Workshop
 - Bagels → **Edorah – educator discount (she will get bagels on the way into the workshop)**
